The Board of Zoning Appeals (BZA) of the Village of The Branch will meet at the 180 East Main Street, Suite 103, Smithtown, NY, at 7:30 PM on Tuesday, May 28, 2019 to consider an application for a variance from Mr. Killoran at 5 Daisy Lane, Smithtown, NY to reduce the rear yard for accessory structure from 25' to 12' due to Village Code 85-409. The two car detached garage must be set back at least 25 feet from the nearest property line.

It was determined that the applicants' notifications to their neighbors are in order.

Mr. Killoran wanted to put on the record that he was actually asking for a correction to the setback from 12 feet to 7.55 feet. Mr. Killoran will be placing shrubs along the side of the driveway closest to his neighbor. On the East side he will be taking out the other driveway and curb cut. He will be using cedar shakes and have an asphalt roof.

Member Bader wanted to make sure that the other garage will be converted into a den since it will no longer be a garage and that Mr. Killoran will renovate the rest of the house. Mr. Bader also mentioned that residents can't run a business out of their home and must be considerate of their neighbors. Also make sure the lighting is not shining in their neighbors windows.
